5. UJDRKADFUL - With SOGA 12604 serving as the stimulus, KUNZE was given Yellow No. 25027 on UJDRKADFUL. The Yellow briefly reviewed the background for our suspicions and suggested UPHILL might wish to have another look. KUNZE claimed she never had heard of UJDRKADFUL's true name and wondered if he still worked for UPHILL, if so where, and what his alias might be. [] mentioned that the last we knew UJDRKADFUL was a case officer in a political Dist. and had been used on the KASTNER defection operation in 1956. KUNZE said she would get busy and check to see where UJDRKADFUL presently was located and also dig out his file. KUNZE said she would appreciate RDC traces on UJDRKADFUL.
